Catholic Schools Week	6

Good Afternoon St. Paul Families,

Catholic Schools Week is rapidly approaching! Starting on Sunday, January 29 St. Paul will be taking part in this national celebration of our Catholic schools. Accordingly, we have a number of important events that are detailed below. If you have any questions please do not hesitate to reach out! Our number in the office is (262) 968-3175.

St. Paul Open House: Sunday, January 29

In celebration of Catholic Schools Week, St. Paul Catholic School will be having an open house after mass on Sunday, January 29th. The event begins at 9:30 AM and goes until 11:00 AM. Come and join us and see the great work that our students and staff are doing at St. Paul Catholic School. The school staff will be on hand to answer

questions and conduct tours of the school. Our Home and School Committee will also be on hand to distribute refreshments. Leading up to the open house, our students will be assuming key roles in the Sunday Mass. This will be an important celebration of our students and Catholic faith. See you there!

Preschool Story Time: Monday, January 30

4th/5th grade members of the St. Paul Library Club will be putting on a preschool Story Time. This will take place on Monday, Jan. 30 at 9:30 AM in the school library. The theme will be "Fish and Water." It will last approximately 40 minutes and include books, puppets, skits and songs. Preschoolers must be with an adult. It is free and no registration is required.

School-Wide Service Project: Monday, January 30

As we continue to count our blessings for the many gifts we are provided, and opportunities we are presented with, we remember, we are called to serve. On Monday, January 30, St. Paul staff and students will be participating in an all school service project. All classes will come together to make scarves for those in need. We are looking for volunteers to help purchase and cut fleece. Please look for additional information from your child's classroom teacher.
