

Dear Parents and Guardians,

Pictures of activities here at school and from field trips are a great way for students and teachers to share what they are learning. Photos are published to the Parish website as well as printed and displayed on our bulletin boards. Photos and visual displays are a great way for our students, parents and parishioners to learn about all the good things happening here at St. Paul's School. Classrooms are using cameras more often as well as incorporating websites into the students' learning. Therefore we are asking all parents and students to sign the **Photo Consent Form**. This is a standard form provided to us by the Archdiocese of Milwaukee and is a companion to our Acceptable Use Policy. We have adapted it for use here at St. Paul's. Please sign and return to your child's classroom teacher.

**Photo Consent Form  
St Paul's School  
Archdiocese of Milwaukee**

I hereby consent that one or more photographs may be taken of me. I authorize St. Paul's to use these photos in any way they deem appropriate. I understand and agree that the use of my picture is not an invasion of my privacy. Neither I nor anyone claiming to be speaking on my behalf will later object to St. Paul's use of these photos. St Paul's Policy for students in photos is no less than 3 students in a published photo and first names only.
