

School Committee Minutes, May 9, 2016

Auction: It is anticipated that The *Gift of the Heart* netted about \$20,000.00 to be used for the bell and intercom system in the school. Awaiting final dollar commitment.

Recruitment: The School Committee is continuing to look for people to serve the school. It was suggested that, in the future, when the Pastoral nominees are contacted, and they decline discernment, to offer other committee open positions for consideration.

Staffing: St. Paul is currently hiring one 3K teacher, one 4K (part time) teacher, one middle school math teacher and 6th grade homeroom, one principal, and one administrative assistant. It would be nice if all staffing is completed by May.

Golf Outing: The committee posted the *Save the Dates* (August 8) in school newsletters, church bulletins, and through email blasts. The committee is looking for dinner, lunch, greens, and hole sponsorships. Lisa Bixby is putting together a letter to procure donations for the live auction.
